Dear Parents and Guardians

Re: The Card Project – release of information

Students from K-7 will partake in the 'The Card Project' this fall. The Card Project is a popular art-based fundraising activity that has been well received by elementary schools throughout the North Vancouver School District. The Card Project makes custom greeting cards and notebooks with students' art. Twenty per cent of funds raised from parent purchases of items featuring their own child's artwork will go to the school PAC.

In order for your child to receive a free copy of their unique greeting card, and the option for you to purchase additional items, you need to give consent for your child's first name, first initial of their last name, grade, division number, name of the classroom teacher and your child's artwork to be given to Marcelle Warnes. Marcelle is the owner and operator of The Card Project. It is a family-run business based in North Vancouver. Marcelle is not a North Vancouver School District employee. The digital version of your child's finished artwork is stored on a secured web-server in California, and printing occurs in Burnaby, BC. Your child's art is only available for purchase by your family. The Card Project may use the art for promotional purposes and on its website. The art will not be sold to a third party.

Please sign the attached form to give consent, or not give consent, to have your child's information provided to Marcelle Warnes.

Return the consent form to the BPAC Mailbox by September 23, 2019.

Participation is optional. If you do not give consent, a greeting card will not be produced, but your child will still take part in the art project and you will receive the artwork that your child creates.

If you have any questions, or wish to see samples of artwork please go to: www.TheCardProject.ca

You are welcome to contact Marcelle at 604 924 2660 or at Marcelle@TheCardProject.ca

Sincerely,

Boundary PAC
